

Schnucks Shoppers, Support the DSAGSL!

The Down Syndrome Association of Greater St. Louis is now participating in the Schnucks eScrip Program. This program is a great way for people who would like to support the Down Syndrome Association of Greater St. Louis with a financial contribution, but end up spending all of their money at the grocery store. If you shop at Schnucks, now you can do both! If you have an eScrip card and swipe it when you check out, up to 3% of your bill will be donated to the DSAGSL. There is nothing extra to purchase, **the cards are free** and if you complete the form at the bottom of this page, we will register you and send you a card in the mail. Then all you have to do is shop.

The program works like this. If a family spends \$625 a month at Schnucks (Yes, I am afraid to say that is not an impossible amount to spend on groceries) and swipes their card every time they shop, the DSAGSL will receive \$10.50. Over a year that would add up to \$126, a nice contribution from a family. If we can get 100 families to do this, the total contribution to the DSAGSL is \$12,600. A very nice contribution! When you realize that we send this newsletter to over 1,500 families the potential is mind boggling.

*There is no cost to get a card,
and you only spend money on the groceries you purchase!*

Say “YES” and we will sign you up today!
